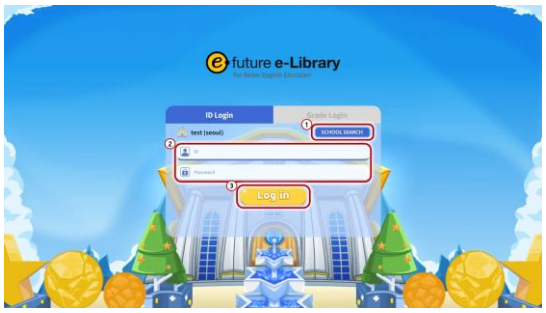
O	OWN	**Read aloud and make it yours.** • Voice imitation practice • Interactive AI dialogues

		• Expressive reading
W	WIN	**Enjoy achievements and decorate your library** • Reading badges • Level-up missions • Avatar & Library customization

① Entering the Library

[Log In]



- School Search : Search for your school
- Enter your ID and password, then tap LOG IN

[Daily Attendance Rewards]

- Receive an attendance reward as soon as you log in
- The more days you log in consecutively, the greater the rewards

  ▶ Consistent daily access builds habits—and habits build English skills!

[Main Screen]

- Check your Book Coins, Arcade Tickets, Attendance Rewards on the main screen
- Use the Bag icon to instantly access all learning content
- Explore the library by controlling your avatar with a joystick or keyboard

② Book Search

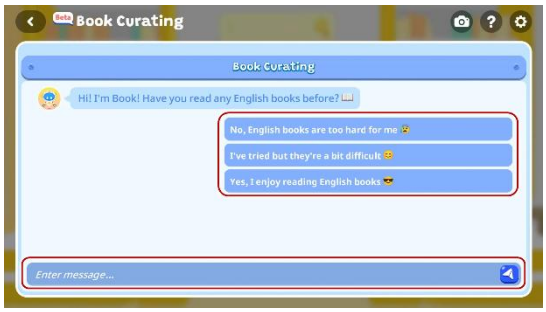
- Book Search icon or Book Search object in the top-left corner : Enter the book search area and view a wide selection of English books

- Enter a book title in the search bar and click the magnifying glass icon
- Books will appear even when only part of the title is entered
- For example, typing “hood” will show Little Red Riding Hood
- **View Book List** : See books organized by level
- Select a book to view detailed information and move directly to

Reading Mode

③ Book Curating

- NPC icon at the top of the screen : Receive personalized book recommendations from the AI
- You can also use the Book Curating button on the AI Book object in the library



- The AI asks questions and analyzes your preferences through conversation to recommend suitable books

④ Read Mode

- Select a book to open the Book Information page
- Read Mode : Step deeper into the story

- Tap play button or click on a sentence to hear native-speaker audio

  ▶ Listen sentence by sentence to naturally pick up pronunciation and intonation
- Move to the next page after listening to all sentences on the current page
- Speed control button : Choose the learning speed that suits you best
- Vocabulary button : VIew key words

  ▶ Complete the book to earn Arcade Tickets, with bigger rewards waiting at higher levels

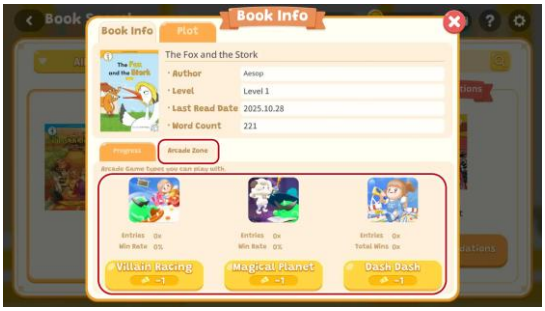
⑤ AI Book Conversation

- AI Book : Open the list of books available for conversation

- Choose a book and a character you like, then tap the Go button

- Interact by typing your own responses or selecting from given options, just like a character in the story
  ▶ AI Book understands your expressions and responds naturally, helping you experience the story more deeply

⑥ Arcade



- After finishing a book, review what you've learned through fun, game-based activities in the Arcade Zone
- You can enter the Arcade from the Book Information page or by clicking the Arcade Zone object in the library

- Select the level of the book (You can only access the Arcade for levels in which you have completed at least one book)
- Villain Racing(Quiz): Review the story by answering comprehension questions
- Magical Planet(Speaking) : Build speaking confidence by saying English sentences aloud
- Dash Dash(Word) : Running game where you dodge obstacles

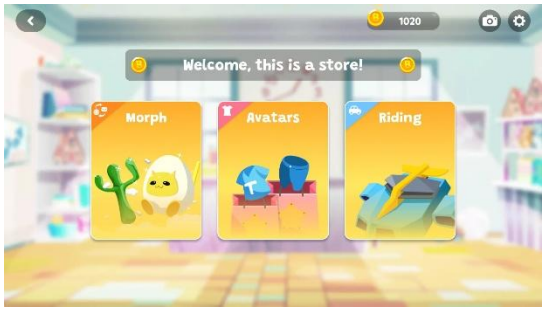
while matching key vocabulary

- The more books you read, the more varied questions appear and the more Book Coins you can earn

⑦ Ranking Zone

- The number of books you complete and your consistent learning progress shine as rankings in the Ranking Zone
- Click the Ranking Zone object in the library to view Class / School / National rankings at a glance
- If you place in the Top 3, your character appears on the Ranking Zone stage
- Rankings are updated every Monday at midnight, with special rewards given based on national rankings

- If you want to reward yourself for reading and learning, enter the shop through your bag or the shop object in the library



- The shop consists of Outfits, Rides, and the Transformation Shop

- Select an item you like and click the Buy button to complete your purchase
- Items cannot be purchased if you do not have enough Book Coins
- Purchased items can be worn immediately from the Wardrobe in your bag
- As you collect items, your avatar gradually becomes your own unique style

⑧ Library Interior

- It's time to upgrade your very own library
- Click the Interior menu on the shop object inside the library
- Place furniture and decorations to change the atmosphere of your library
- Once all interior items are completed, you can expand your library to the next stage
- The library can be expanded up to three times
